

Dear members,

Last year, the 1000km Gran Turismo tour emphasis was driving; specifically taking fellow Porsche enthusiasts along routes that would evoke what a Mille Miglia or Targa Florio could be. And, it was spectacular! In fact, we drove an extra 200km.

This year, the Gran Turismo Architectural and Gastronomic Tour combine my adoration of cars, history, architecture and cuisine. We'll visit architectural master pieces, indulge in fine dining and drive roads that are bespoke for a Porsche. I want you to come and I look forward to driving with you.

Sincerely,

Jason Figueiredo

Itinerary:

Day One: Niagara - Foxburg - Pittsburgh

The starting point of your trip is the White Oaks Resort. After a wonderful breakfast at LIV restaurant, we drive to the border and into the heart of the Allegheny Forest. Driving your Porsche along the roads in this region is exhilarating.

Today's route will lead you into the charming village of Foxburg in the majestic Allegheny Mountains for lunch. This stop provides the opportunity for a pleasant break to explore the town. If your interest is golf, the National Historic Foxburg GC Club is home to the oldest golf course in continuous use in the U.S.A. The American Golf Hall of Fame is located on the second floor, where visitors will find a priceless collection of golf clubs and other exhibits depicting the 400-year history of golf.

Leaving Foxburg, we travel to the City of Pittsburgh and check into the hotel. After checking in, you'll be at your leisure to explore the downtown core of this historic city. In the evening we reconvene at an elegant restaurant for dinner.

Day Two: Pittsburgh - Fallingwater

Your day will begin in the early morning as we drive to the iconic landmark that is Fallingwater. Reservations have been secured for the exclusive tour which provides a greater understanding of what Frank Lloyd Wright was seeking to create with his masterwork. The guides have a deep knowledge and will interpret Fallingwater in many contexts including: historical, architectural and the relationship between the house and surrounding landscape. This tour offers access to secondary spaces not available on the Regular Tour and lasts approximately two hours. To enhance the experience, the number of visitors on each tour is limited and interior still

photography is permitted for personal use only. Please visit Fallingwater.org to receive a better understanding of this historical and architectural masterpiece.

For lunch, we will visit another architectural gem that is the benchmark for excellence in resort lodging, the Chateau Lafayette, located in the Nemaquin Resort. This luxurious hotel was inspired by the famed Ritz Paris in France and is a tribute to the grand hotels and resorts of Europe.

Following lunch, you will visit The Woodlands Auto Toy Store which opened in September 2000 and features a wide variety of rare and antique automobiles. After perusing these fine motor coaches, the tour continues to the Pride and Joy Airplane Hanger on the property. Housed in this facility is a classic Pitcairn PA-8 plane fully restored and airworthy that was once in the collection of the late Hollywood icon and Porsche enthusiast Steve McQueen.

After lunch, the focus of today's drive is paramount for Porsche: pure driving enjoyment. We return to Pittsburgh with a scenic drive through the Laurel Highlands. The mountains making up the Laurel Highlands are the highest in Pennsylvania, with Mount Davis in Somerset County the highest point in the state at 3,213 feet.

On the final night, you'll drive to Mount Washington to dine at a fine dining restaurant with a view of the skyline. Sophisticated dishes in a tasteful atmosphere provide the appropriate ending to an eventful day.

Day Three: Pittsburgh - Canada

After a restful night, it's back behind the wheel for the final day. A short drive takes you to the grounds of the University of Pittsburgh's Cathedral of Learning to tour The Nationality Rooms. The rooms reflect the crafts, culture, and traditions of Pittsburgh's diverse ethnic groups. Of museum quality, often designed by architects abroad, the 26 rooms adapt Classical, Byzantine, Romanesque, Baroque, Renaissance, Tudor, Empire, Minka and folk styles to re-create cultural periods prior to 1787, the year the University was founded.

The Hofbrauhaus Pittsburgh is Pennsylvania's first authentic Hofbrauhaus, modeled after the 400 + year old Hofbrauhaus in Munich, Germany and will be our destination for lunch. After this, you'll return to Canada with many memories of a fabulous trip.
